Overview

- 1 Odontocetes
 - Oceanic Dolphins

- 2 Echolocation
 - Odontocete Melon

Key Characteristics

- Family Delphinidae
- Wide range of anatomy and behavior
- Live in saltwater
- Carnivorous
- Use echolocation

Figure

Figure: Oceanic Dolphin

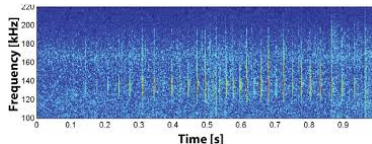

Figure: Echolocation Click Train

Echolocation

- Form of autocommunication

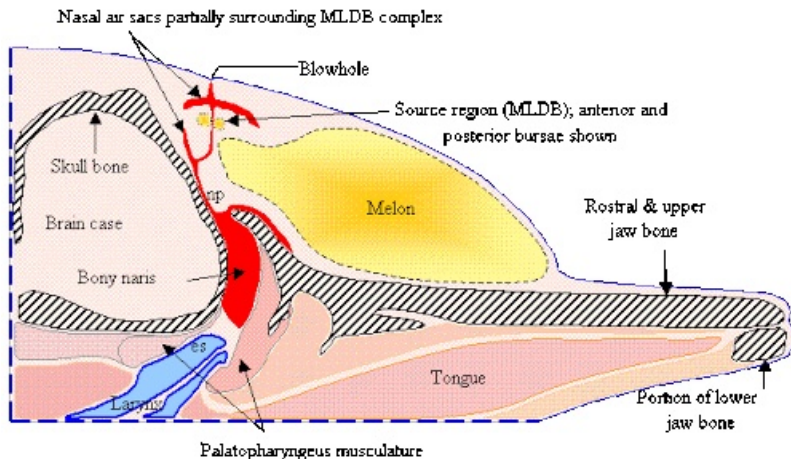

Echolocation

- Form of autocommunication
- directional beam of high frequency-clicks

Echolocation

- Form of autocommunication
- directional beam of high frequency-clicks
- Produced with the melon

Melon

The End
